1. Introduction

Sukanya Samriddhi Yojana (SSY) is a Government-backed small savings scheme introduced for the welfare and financial security of girl children in India. The scheme was launched under the Beti Bachao Beti Padhao initiative to encourage parents to save for their daughters' future education and marriage expenses.

The scheme offers one of the highest interest rates among government savings schemes and provides attractive tax benefits. It is designed to promote long-term savings and financial planning for girl children.

2. Launch Details

Particulars	Details

5. Eligibility Criteria

A person must satisfy the following conditions:

Girl Child Requirement

- Account can be opened only in the name of a girl child.

Age Limit

- Girl child must be below 10 years of age at the time of account opening.

Citizenship

- The girl child must be an Indian citizen.

Account Opening Authority

- Parents or legal guardians can open the account on behalf of the child.

Number of Accounts

- Only one account per girl child is allowed.

Family Limit

- Maximum two girl children per family are generally eligible.
 - Exceptions are available for twin or triplet girl children.
-

6. Interest Rate

Current Interest Rate (2026)

8.2% per annum

Interest Features

- Interest is compounded annually.
- Interest rates are reviewed quarterly by the Government.
- Existing balance continues earning interest until maturity.

Why SSY is Popular?

The interest rate is higher than many traditional savings schemes such as:

Scheme	Interest Rate
Sukanya Samriddhi Yojana	8.2%
Public Provident Fund (PPF)	7.1%
Bank Fixed Deposits	6%–8%

7. Deposit Rules

Minimum Deposit

₹250 per financial year

Maximum Deposit

₹1,50,000 per financial year

Deposit Methods

- Cash
- Cheque
- Demand Draft
- Online Transfer
- Net Banking
- Auto Debit

Deposit Period

Deposits must be made for only 15 years from the account opening date.

After 15 years:

- No further deposit is required.
- Interest continues until maturity.

8. Maturity Period

The account matures after:

21 Years

from the date of opening.

Important Rule

Even after deposits stop after 15 years:

- Interest continues for the remaining 6 years.
- The account keeps growing without additional investment.

9. Tax Benefits

Sukanya Samriddhi Yojana enjoys EEE Status:

Exempt – Exempt – Exempt

Component	Tax Status
Investment	Tax Free under Section 80C
Interest Earned	Tax Free
Maturity Amount	Tax Free
Maximum Tax Deduction	
Up to ₹1.5 lakh annually under Section 80C of the Income Tax Act.

Certain special situations approved by authorities.

14. Benefits of Sukanya Samriddhi Yojana

Financial Benefits

High Interest Rate

One of the highest among government-backed schemes.

Guaranteed Returns

Backed by sovereign guarantee of Government of India.

Long-Term Wealth Creation

Creates substantial corpus over 21 years.

Tax Savings

Triple tax exemption benefit.

Educational Benefits

Supports Higher Education

Provides financial support for:

- College fees
- Professional courses
- Overseas education expenses

Reduces Financial Burden

Parents can systematically save for future educational needs.

Social Benefits

Women Empowerment

Encourages financial security for girls.

Promotes Girl Child Welfare

Supports long-term development of girl children.

Supports Beti Bachao Beti Padhao Mission

Strengthens awareness regarding education and financial planning for girls.

15. Advantages of Sukanya Samriddhi Yojana

1. Government-backed security.

2. Higher interest rate than many savings products.
 3. Tax-free returns.
 4. Long-term wealth accumulation.
 5. Flexible annual deposits.
 6. Nationwide transfer facility.
 7. Supports girl child education and marriage planning.
 8. Easy account opening process.
 9. Low minimum deposit requirement.
 10. Suitable for middle-class families.
-

16. Limitations of the Scheme

Despite several benefits, some limitations exist:

Long Lock-In Period

Funds remain invested for a long duration.

Limited Liquidity

Withdrawals are restricted.

Only for Girl Children

Not available for boy children.

Fixed Maximum Deposit

Cannot invest beyond ₹1.5 lakh annually.

Interest Rate Changes

Government may revise rates quarterly.

Community discussions often mention that SSY is excellent for safe long-term savings but has limited liquidity compared to mutual funds or other investments.

17. Comparison with Other Savings Schemes

Feature	SSY	PPF	Fixed Deposit
Interest Rate	8.2%	7.1%	6–8%
Tax Benefit	Yes	Yes	Limited
Government Guarantee	Yes	Yes	Depends on Bank

Feature	SSY	PPF	Fixed Deposit
Lock-in Period	21 Years	15 Years	Varies
Target Group	Girl Child	Everyone	Everyone
Risk	Very Low	Very Low	Low

18. Impact of the Scheme

The Sukanya Samriddhi Yojana has significantly contributed to:

- Increased financial awareness among parents.
- Improved long-term savings for girl children.
- Better educational planning.
- Promotion of women empowerment.
- Expansion of small savings participation.
- Support for financially secure futures for girls.

The scheme remains one of the most popular girl-child-focused savings programs in India.

19. Conclusion

The Sukanya Samriddhi Yojana is one of the most successful and beneficial government-backed savings schemes for girl children in India. With an attractive interest rate of 8.2%, tax-free returns, government security, and long-term wealth creation benefits, the scheme provides an excellent financial foundation for a girl's education and future needs. By encouraging systematic savings and promoting financial planning, SSY plays an important role in supporting women's empowerment and securing the future of millions of girl children across the country.
