- Tamil
- Telugu
- Urdu

For Training Providers

44. How do Training Partners join or register at SIDH?

Training Partners can visit the SIDH platform (Link: <https://www.skillindiadigital.gov.in/home>) or download SIDH app from the play store, select the appropriate user category (Partner) and complete the registration form with your basic details. Once verified, TPs can access the platform's features.

45. What documents are required for registration?

To register as a Training Partner at SIDH, below documents are required based on the type of organization:

- Organization Incorporation Certificate (Mandatory)
- Pan Card (Mandatory)
- TAN (If available)
- DIN (If available)
- GST (If available)
- Student impact details - 3 years (registrations vs. completions) year-wise on the organization's letterhead, duly signed by an authorized signatory (Mandatory)
- Last 3 years CA-audited report (Mandatory)
- Copy of Vendor Registration Form

46. How long does the registration process take?

The registration process for Training Partners is completed within 24 hours. After submitting the required data and documents, the backend team reviews and validates them. If everything is in order and no discrepancies are found, the Training Partner is successfully registered within 24 hours.

47. How can a TP add a Training Centre at SIDH?

Training Partners at SIDH can login to their profile and navigate to the "Add a Training Centre". Upon clicking this option, a new window appears and the TPs are required to fill basic TC information such as Centre type, TC Address, State & District location, TC SPOC details, etc along with the Address Proof for approval.

48. How can a TP apply for skilling programs/ project?

Training Partners (TPs) at SIDH can log in to their profiles and select "Apply for Skilling Program" under the Schemes options. A new screen will appear, allowing TPs to view and apply for various skilling programs- such as MoRTH, CB Scheme North East, NSDC Academy, etc. Next, TPs should click on "Add Project" to proceed. TPs will then be required to enter project details, upload

supporting documents, add sectors & courses, specify the location of Training Centers (TCs), and share placement targets. Once all mandatory fields are completed, the system will prompt TPs to submit the application. Following approval, the scheme will be granted.

49. How do Training Partners create a batch?

Upon successfully logging into their profiles, Training Partners (TPs) will find the "Batches" option on the landing page. By clicking on this option, a drop-down menu will appear, from which TPs can select "View Batches". Upon selecting this, a list of approved courses, along with their current status (e.g., Enroll Candidates, Placement, etc.), will be displayed under the TP login. This page includes a "Create New Batch" button, which allows TPs to initiate the creation of a new batch for training candidates. After clicking the button, a new batch creation window will open, featuring five sections: Schemes & Programs, Course & Training Details, Batch & Trainer Details, Assessment Details, and Fee Details. Once all the mandatory fields are filled, TPs have the option to submit and create the batch. Post this, the system creates an automatic batch id for the newly created batches.

50. Can Training Partners offer Online Courses?

Yes, Training Partners at SIDH can offer online courses. The platform supports the delivery of both online and offline courses, allowing Training Partners to design and offer flexible training programs that cater to the needs of their learners.
